## QUALITY POLICY OF CENTRAL PARK MEDICAL COLLEGE

### SCOPE

The Scope of Quality Policy defines how the Quality Management system works within Central Park Medical College. It also confirms which elements are excluded and gives justifications for these decisions. The scope will define how the Quality Assurance cell functions at CPMC and CPTH and how it impacts each area.

### POLICY STATEMENT

We are committed to continuous quality improvement in academics and research for students, graduates and faculty, to adopt suggestions and creative ideas to provide state of the art health care facility.

### QUALITY OBJECTIVES OF CPMC

Central Park Medical College facilitates medical education and research, and is committed:

- To be a center of distinction, setting the highest quality standards in patient care, medical education, training and research.
- To constantly upgrade the quality of medical practice and education in the college and affiliated hospitals.
- To achieve professional satisfaction of the staff members involved in the teaching/training activities.
